LOCAL NEWS AND VIEWS

FROM BARTON TOWN COUNCIL

ISSUE NUMBER 70

*Please support your local shops and businesses*

NOVEMBER 2016

It's approaching that time again and this year's Festival and light switch on will take place on Saturday 26<sup>th</sup> November. There will be stalls on George Street and High Street; children's rides in King Street, and a performance stage on the High Street showing various acts from 12 noon to 7.00pm, as well as indoor crafts in the Joseph Wright Hall (ex Citadel), Victorian Market High Street, crafts at the White Swan

The Community Parade leaves The Ropewalk at 3.00pm led as usual by the team of 6 reindeer pulling Father Christmas on his sleigh. The Lantern Parade will also leave The Ropewalk at 5.00pm and terminate near the stage. This will be followed by the Carol Service at the Christmas Tree on High Street, led by the Salvation Army with the Christmas lights switched on at 6.00pm by the Mayor Councillor Alan Todd and the winners of a local school competition, hopefully assisted by Viking FM. I hope you will be pleased with the event and if you aren't, come and tell me because the event is put on for your entertainment.

Please note, to facilitate the event, the following roads will be closed to traffic from 8.00am until 10.00pm: George, King and High Streets from Burgate to Fleetgate.

All that remains is for me to thank Councillor John Oxley, the members of the Community Working Party, Orkidz for kindly allowing the Christmas tree to be sited on its premises, the Town Clerk and Deputy Clerk for all their hard work and of course yourselves for attending.

Have a Merry Christmas and a Happy and Prosperous New Year.

## Barton Upon Humber Chess Club News

The Scunthorpe and District team Olympiad this year was held at Scunthorpe on the 17<sup>th</sup> October. Barton will be hosts for the district's Lightening competition which will be held on Monday 21<sup>st</sup> November at the Corn Exchange Barton at 7.30pm.

At our annual general meeting it was decided that we would not enter a team in the Lincolnshire league but concentrate on the Scunthorpe and District League. This was a decision taken with great reluctance but we felt we had insufficient players to field a team in two leagues.

Even great players make mistakes, Victor Korchnoi ,who sadly died in June this year was one of the strongest players never to have been world Champion . He was playing with the black pieces in this game at Biel in 1986 .Black to move played Kc5?? This was a major mistake can you see why? Barton Chess Club

meets at the Corn Exchange club Barton upon Humber on Monday evenings at 7.30pm from September till May. Players of all abilities welcome, our membership secretary is Mick Robinson tel. Barton 635945

# BARTON UPON HUMBER LIONS CLUB

Serving the community since 1970

## Happy Christmas from Barton Lions Club

### What and who are Barton Lions?

A question asked! You will have seen us serving hot food, marshalling at events in the area, at our Annual Beer Festival, of course at our annual Bonfire and Fireworks night and helping Santa around the town on his sleigh at Christmas. But what and who are we, and what are we all about? Barton upon Humber Lions Club was formed in 1970 and currently has 25 members serving you. We have bags of fun in our club and enjoy serving you at the many events we organise and attend.

But it doesn't stop there! Lions are Global - we are members of the world's most active and largest service club organisation, that was formed by a few businessmen in 1917, in Chicago, USA.

Next year marks 100 years of Lions Clubs International!

We believe that by working together we will accomplish far more than would be possible as individuals. We are serious about our commitment to humanitarian service, but have loads of fun along the way. We are proud that our organisation is close to a century old and that it has a distinguished history of doing good for the world.

Local communities respect and trust their clubs, both because those clubs are made up of neighbours and friends who have a long record of support, and because of the Lions Clubs International name and legacy. When we meet fellow Lions for the first time, we treat them like old friends. And when you join Lions, you join a global service network. So at the same time you're helping your own community locally, you can also contribute to Lions community efforts in other countries.

We raise money at the events we organise and attend and donate these back to many supported causes mostly local clubs, groups and individuals totalling around £13,000 annually. We cover all costs from our own dues, ensuring that all donated funds go to the causes. So over the years the sum raised and given back to our community sure is a staggering figure!

Thank you all for your support.

**Deterring would-be criminals is one of the most effective forms of crime prevention.** Invest in a motion sensor flood-light or even some outdoor Christmas lights to highlight your home's exterior. This will hopefully make approaching your home too conspicuous for a burglar. Highlighting the fact your possessions are security marked and registered on Immobilise using window decals provides a further warning that your goods are marked, traceable and not worth the risk of stealing!

**Festive lighting - be secure.** A common mistake of many festive decorators is to feed extension cables through partially open windows, criminals know to look for this vulnerability. When it comes to outdoor lighting, opt for solar or battery operated lights or install outdoor electrical outlets.

**Dispose of gift packaging carefully.** Refuse collections over the Christmas / New Year period are normally at different times. If you can't take packaging to a recycling point, make sure you only put your rubbish out just before the collection and do your best to fold boxes so that they do not advertise your new contents of your home to thieves!

**Protect your Identity.** It is good practice never to dispose of receipts and personal paperwork without first shredding it. Christmas is a time when this is especially important! Be careful though not to shred any important warranty details, make sure documents you keep are stored somewhere secure.

**Check doors and windows for weak spots.** Installing a few dead-bolts and new window hinges could increase the security of your home exponentially.

**Keep your curtains, drapes and window blinds closed at night,** making sure valuable items are out of sight. When going out for the evening make use of inexpensive timers to give the

illusion of occupancy.

#### **Away over Christmas - plan ahead.**

If you're going away at Christmas be sure to cancel any newspaper or milk subscriptions. Arrange for a neighbour to park on the driveway to help create the impression someone is home. Do not leave descriptive telephone answering machine messages like, "we're away skiing for the Christmas holidays," etc and again make use of light timers.

**Secure garages & sheds.** Make sure that garden tools or ladders that could be used to force entry into your home are not left lying around or accessible from an unlocked garden shed. Garages are often targets for burglars looking for tools, bikes and gardening equipment - make sure the garage is secure and your possessions are secured too in the case of bikes and tools. Naturally make sure anything portable / valuable is recorded on Immobilise.

**Don't hide keys & use alarms if you have them.** Burglars know to look for hidden door keys so don't hide spare keys under rocks, in flowerpots, or above door ledges. Instead give the spare key to family or trusted neighbour. Many houses these days have alarms, many though are rarely set, make sure yours is on and protecting your home.

**Register on Immobilise.** Lastly, don't forget to register your gifts on Immobilise - It's FREE - Most electronics have a unique identifier such as a serial number or an IMEI number (International Mobile Equipment Identity) which can be found easily by pressing the following keys on your mobile handset: \* # 0 6 # .

## The Barton Living Memorial Trust

September for the Trust had its highs and lows, the lows being the passing away of 2 of our members, Mrs Marjorie Ball who along with husband Don were a great help when we put on functions and George Bernard Clipson who spent most of his working life in and around the town. His photographic memory of old Barton faces is a service we shall all miss.

Well the highs, all the trees planted in Baysgarth Park in the spring have grown and during October bulbs will be planted in the Copse. These being kindly donated by North Lincolnshire Council and Barton Town Council. The Trust is also placing a memorial seat on Barrow Road opposite the Cenotaph which we have been able to purchase with generous donations from Barton Lions Club, Barton Rotary Club and Associated Pipeline Terminals of Immingham. We are now waiting for our grant application to purchase the Tin Tommy sculpture from North Lincolnshire Council, both these purchases are to commemorate the 100 year anniversary of the Battle of the Somme where again Barton soldiers gave their lives.

## Wilderspin National School Museum

We now have exploration satchels for young children to unpack and help them explore, (thanks to funding support from the Humber Museums Partnership), our popular Teddy Trail, and most things can be touched by inquisitive hands. The cafe has lots of healthy snacks for kids too.

During the year we had our 60,000th visitor since opening in 2009 – and over 110,000 people have visited or used the museum for meetings, courses or private hire. Visitors from the French town of Saffre, twinned with Winterton, visited during the summer as part of their town twinning trip to England.

**Christmas at Wilderspin** (Saturday 26 November, 1pm – 5pm)  
Indoor Christmas market, table top sale and Victorian Father Christmas in the museum's grotto.

**A Christmas Carol** (Monday 5 – Wednesday 7 December in the Joseph Wright Hall)  
Friends at Barton present this classic Dickens tale of the mean old miser Scrooge. Tickets: £5. t.(01652) 635172.

**Ted Lewis Exhibition** (6th January - 4th February)

Winter opening times are 11am – 3pm from 27 November. The museum and café close on Friday 23 December for Christmas. The Old School Canteen will be open between Thursday 29 -Saturday 31 December.  
The Museum re-opens on Thursday 5 January 2017.

An Exhibition of the  
Art, Life and Times of Barton's

**Ted Lewis**

(1940-1982)

Author, graphic artist and musician.

**Wilderspin National School, Queen Street, Barton, DN18 5NS,  
Thursdays to Sundays 10 am to 4pm  
5<sup>th</sup> January to 4<sup>th</sup> February 2017**

Ted Lewis studied at Barton Grammar school under Head of English, poet and novelist, Henry Treece. After studying at Hull College of Art and Design where he played piano in the Unity Jazz Band, Ted went on to make a career in graphics. His last work was on The Beatles' *Yellow Submarine*. He wrote 9 novels, the most well-known becoming the film *Get Carter* starring Michael Caine.

The Ted Lewis Group brings to Barton its successful 6 weeks Exhibition at North Lincs Museum telling the full story about how this young boy, full of enthusiasm for film and drawing, began a revival of the British gritty 'noir' genre to the page and screen.

This collection of more than 14 entertaining storyboards together with posters, photographs, first edition books, *Get Carter* film script, Ted Lewis diary, writings and sketches plot the novelist's rise from a sickly but lovable young boy through jazz and graphics to success in many areas of life before a tragic early death.

Later, The Ted Lewis Group will take The Ted Lewis Story to Hull City of Culture during May 2017 in a celebration of arguably Barton's most creative artist, an initiative with the co-operation of the Hull College where Ted studied.

Before or after the Barton Exhibition, relax and enjoy the home made local refreshments at The Old Canteen in Wilderspin National School.

**The new Andy's Children's Hospice shop** in Barton has been declared a success.

The charity took over the vacant premises in the Market Place earlier this year and opened for trading in June, but an official celebration was held later to mark the official ribbon-cutting.

Simon Vicary, head of retail, said: "Not only are we opening a new venture to provide vital funds, we are revitalising a prominent retail space."

"We will be offering high-quality used goods to customers in Barton and are looking forward to integrating into the local community."

Andy's – Lincolnshire's only children's hospice - worked closely with Scott's Property to secure the site, which said it was pleased to see a vacant property in the town centre occupied and trading once more. Simon continued: "Barton has been on our list of towns we wanted to have a presence in because not only is it important to reiterate what Andy's does in the area, but Barton has a growing population and lots of new home builds."

"It's somewhere we are excited about trading in. The closest existing shops to Barton we operate are in Hull and Immingham, so Barton fits very well into our established distribution network."

"The hospice plays an important role in northern Lincolnshire and our investment shows how committed we are in being at the heart of the community."

The volunteers and manager of the store, at 17A Market Place, have been delighted to welcome a steady stream of customers. It opens Monday to Saturday, 9am to 4.30pm. Donations of unwanted items are welcome.

If you'd like to volunteer in store, please call 01472 350908. Roles include sales assistants, sorters, steamers, merchandisers, till operators and also anyone with knowledge of books, CDs, DVDs and collectable bric-a-brac to help maximise funds.

*Pictured centre is shop manager Janet Emery, with volunteers Kathryn Robinson and Emily Leaning, and the hospice's head of retail, Simon Vicary (right), and retail operations manager Emily Appleton (second left).*

Our 4<sup>th</sup> Annual Memorial Charity Match was held on our pool in Pasture Road on Sunday 10<sup>th</sup> July.

24 members fished a 6 hour match, following which a barbecue and raffle was held, in aid of this year's chosen Charity – Macmillan Nurses.

Monies raised from this event amounted to £1,320.

We would like to thank businesses in Barton and members of the public for their generous contributions which are too numerous to mention, and which greatly surpassed previous years totals.

## FRIENDS AT BARTON

Paul Tate is returning to his old home town to direct *A Christmas Carol*. He was born at Scunthorpe General, raised in Barton and some of his family, including his Mum still live here. He moved to London in 1986 to pursue a professional career as an actor. Some of you may remember him from the Baysgarth School shows in the 70s and 80s. He was also a founder member of Barton Operatics and appeared in their shows before he moved away.

About eleven years ago he was asked back to direct the BADAOS productions of *Oliver* and *The Wizard of Oz*. Both shows sold out before they even opened! He has missed it so much that he has decided to form a new community Drama Group for the area, Friends At Barton. FAB for short! Their first ever production will be one of the world's best loved stories, *A Christmas Carol*. He has adapted the book into a stage play, a traditional telling of the tale but with a few surprises!

FAB will be raising funds in aid of Lindsey Lodge, St. Andrew's Hospice, The Brain Tumour Organisation and Scunthorpe Samaritans. All connected in some way to members of the group. It will be performed in a new Theatre space for Barton, the Joseph Wright Hall, formerly the Salvation Army Citadel in Queen Street.

Ghosts, Songs, Laughs! All tickets £5!!!

It's never too early to book and get into the Christmas Spirit!!!

**Christmas at Ropery Hall** this year is a feast of all things festive from jazz and folk to theatre including two versions of A Christmas Carol.

The Alan Barnes Octet promises to deliver the right notes in readiness for December 25 with their Christmas Carol which guarantees, just like the Dickens' classic itself, a family night out that is, as well as being a treat for the jazz connoisseur, a delight for anyone who loves music or literature – or just Christmas!

A day later St Agnes' Fountain returns to the venue as part of their Christmas tour. This is the 16<sup>th</sup> year St Agnes' Fountain comes together at this time of year and they hope to bring you more of their sparkling musicianship, humour and heartfelt renditions of your favourite Christmas tunes both original and those you know so well (or thought you did). Christmas, as they say, starts with St Agnes' Fountain.

European Arts Theatre Company will be performing its own version of A Christmas Carol on December 17 in a faithful recreation of Dickens' famous performance of his best-loved and most heart-warming story. £1 from each ticket sold will go to the children's charity Barnardo's so come and enjoy a seasonal treat in the spirit of Christmas past, present and future.

The following day a Ropery Hall favourite for children's theatre, Blunderbus Theatre, will be giving two performances, at 11am and 2pm, of Santa's Little Helper, a delightful new show with an irresistible blend of music, puppetry and high energy storytelling - the perfect treat for Christmas. Aimed at little people aged between three and seven years there is also the chance to meet Santa himself.

Full details, including how to book tickets can be found on [www.roperyhall.co.uk](http://www.roperyhall.co.uk)

## BARTON CIVIC SOCIETY

A good deal has happened since the last issue of the Bartonian. In June, our newsletter was published and copies delivered to members. On 15 July, we held our AGM at which the chairman introduced a slightly revised constitution for the Society. It was a great pleasure on this occasion to present our annual award to Qudos Homes for their tasteful conversion of the Bluebell premises into houses and flats. In the second part of the meeting, some worthwhile and interesting talks were given by Neil Turner on the activities of CHAMP, by Liz Bennett on the work of the Ropewalk, and Paul Thornton on the impressive restoration of Joseph Wright Hall (formerly the Salvation Army Citadel). This last is now owned by the Queen Street School Preservation Trust, which is in the process of converting it into a community performance space and lecture hall.

The Society also contributed significantly to the events of Lincolnshire Heritage Open Days ('Behind Closed Doors') featuring in particular a viewing of Joseph Wright Hall and a visit to the Beck, which project is now nearing completion, the whole area having been landscaped and seeded with grass and wild flowers, while the pointing of the churchyard wall is proceeding

apace. This project, which has taken much planning and hard work on the part of those responsible, is the most ambitious one ever to be undertaken by the Society and has made an enormous improvement to this area of the town.

Other events have included a most enjoyable and successful trip to Sewerby Hall and Gardens and a talk on the life and work of the famous Hull-born architect Cuthbert Brodrick by John Scotney, delivered appropriately in Joseph Wright Hall, since the man after whom the Hall has been named was one of Brodrick's pupils.

Our programme of public meetings for this calendar year concludes with a talk entitled 'Assembly Rooms to Sabre-Toothed Tiger: History in Reverse' on 18 November to be given by Richard Clarke. These meetings take place in the Assembly Rooms at 7.30 and admission is free to members. The charge for non-members is £2.00. If you would like to join the Society, please contact Richard Clarke at 1, Sluice Road, South Ferriby DN18 GJG (tel. 01652 635876).

For further information, you may consult our website, [www.bartoncivicsociety.co.uk](http://www.bartoncivicsociety.co.uk).

Two marketing experts are to combine forces to project Barton's attractions to the outside world.

Joanne Marwood and Jamie Smith, both Barton residents, are to deliver the marketing element of the heritage project Past Forward which has received 12 months funding from Arts Council England. The two, who took up their part-time roles in October, will be looking to promote the cultural and heritage offer and the town's shopping community in various ways.

As part of the project a revised Shrink Map will be launched as will a mobile app, Hidden History, that will take users on a walk around the town and at various locations they will be able to access the history of the buildings in front of them.

Jamie will be concentrating on promoting Barton as a town full of history while Joanne will be looking to expanding the shopping offer, including producing Barton focussed merchandise as well as training volunteers to enable the project to continue after funding has ended.

In late winter the final part of the Past Forward project will be the appointment of a Wikipedian in residence for six months to develop Barton's on-line presence.

The project will be managed by The Ropewalk and Wilderspin National School with support from Barton Tourism Partnership.

## Barton Town Council

All the information gathered has been forwarded to the North Lincolnshire Council 'Barton Regeneration 2018' group for their consideration when looking at their Regeneration programme for Barton over the next couple of years.

### BARTON LADIES' LUNCHEON CLUB

The Club was founded in 1986 by a few retired teachers meeting each month in one of their front rooms and from those humble beginnings the Barton Ladies' Luncheon Club was born and has flourished over the last 30 years.

We meet every second Wednesday of the month at the Barrow Haven Inn where we enjoy lunch and a variety of speakers who entertain us with a wide range of subjects.

In August of each year, we have a coach trip out and visit an historic house and gardens or some other place of interest. This year we visited Thompson's (the Mouseman) Factory and Museum in Kilburn, North Yorkshire where we were able to see some of his many pieces of beautiful oak furniture and smaller gift items, all with the trademark mouse carved in the wood. Afterwards, we enjoyed lunch at the Forresters' Arms Pub, before finishing off the day with a visit to Scampton Gardens near Malton and enjoyed the wonderful layout of the walled gardens before returning home.

Anyone wishing to join us at the Barrow Haven Inn will be very welcome and I am sure will enjoy not only the lunch and speaker each month, but also the companionship of the members.

## The Barton Carnival

returned for its second year and fulfilled its promise of hosting a bigger and better event!

This year the carnival was opened with the return of the long awaited 'Barton Carnival Parade' which started at Tesco Barton and paraded through the town. The parade featured many of Barton's local groups and clubs led by Rushby Dance and Fitness then followed by the Army Cadets, Barton United Junior Football Club along with several dance groups and the local primary schools. They all managed to put on a smile despite the miserable weather!

Stannage Stunt show opened the entertainment line up in the main arena thrilling the audience with fantastic displays and stunts. A full programme of entertainment followed including Heatwave entertainment, Vander Wheel of Death, Tug of War between Divergence Fitness and Warriors Gym as well as various dance displays. Meanwhile the smaller arena hosted a fantastic dog show and the marquee hosted several displays of dance, theatre and poetry, a fashion show by ICE 3 as well as the comeback of the Barton Bake Off hosted by Momma's Little Bakehouse.

The entertainment was topped off with the usual fairground attractions, over 40 stalls promoting local businesses, a petting farm and birds of prey and the much talked about evening entertainment featuring the fantastic Shine UK and Ultra 90s who wowed the audience!

We were once again granted a visit from the Red Arrows and the sun shone all day on the Sunday which was pleasing to see. With surprise visits from Bumblebee and other famous characters courtesy of CPM entertainment and iota visual arts 'little giants' meaning there was something for everybody.

If you would like to volunteer to help, whether it be organising the event or 'extra hands' on the day, with either the Carnival or Parade, please contact Ben Troop on 07894855449 or message the committee through the facebook page, email [bartoncarnival@hotmail.com](mailto:bartoncarnival@hotmail.com)

## Barton And District History Group

The Barton and District History Group continue to produce excellent talks, which attract many people who take an interest in local history. The last talk, entitled, *"Roman Landscape of the Humber Foreshore"*, was presented by Chris Casswell, on the 23rd June. This attracted many people, and was a very interesting production.

On 23rd September Brian Peeps, the very well known local Historian, presented a slide show, entitled *"Down Your Way"*; showing photographs from the 1930/40/50s, comments, on which, were made by the Chairperson, Linda Brown. The second half of the show consisted of photographs of shops that were in the town.

Our final presentation for this year took place on 27th October, entitled; *"Further excavations at Thornton Abbey"*; presented by Hugh Wilmott.

Events take place at our usual venue; St. John Headquarters, Fleetgate, Barton upon Humber, at 7.30pm.

Arrangements are well under way for next year's talks, and will be announced in the next Bartonian. Progress is being made on the production of the *"Heritage"*, a journal to be published in the near future. Thanks to Peter Croton for taking on this task.

It is hoped that people will make the effort to attend our AGM in November, at a date which will be publicised. We are in need of two more committee members, so please attend and offer your suggestions, or services.

Details of joining the group can be obtained from our chair person: [hbrown125@btinternet.com](mailto:hbrown125@btinternet.com). Why not visit our page which has been created as a 'trial' on Facebook

# Barton Rotary Club

## Christmas Festival

The annual **Photos with Santa** event, part of the Barton Christmas Festival, will be held in the Barton Methodist Chapel Lecture Hall on November 26th from 2.00pm to 4.30pm. Children will also receive a present from Santa and the cost is only £4.00.

Trinity Church members will also be serving refreshments, offering a Soft Toys Tombola and Face Painting.

## Trinity Christmas Tree Festival

Trinity Methodist Church and Barton Rotary Club are again staging a Christmas Tree Festival in the Chapel, during the Barton Festival. Local businesses and organisations have been invited to display a tree, decorated to depict what they do. Free admission to view the trees on Saturday Nov. 26th from 2.00pm until 5pm.

A free **Christmas Concert for Senior Citizens** will be staged at Trinity Methodist Church on Sunday December 18th at 4.00pm, featuring The Positive Notes Choir providing seasonal entertainment plus festive music to "sing-along" to. Barton Rotary Club members will be serving refreshments at around 5.00. Please phone David Witter on 632675 to arrange transport for you to the hall.

The now traditional way for Barton Rotarians to spend Christmas Day morning, is to cook and deliver around 50 **Christmas Lunches** to elderly people who are on their own. This is a full Christmas Dinner, including turkey with all the trimmings, a trifle, mince pie and fruit. To arrange this, please phone David Witter on 632675 and a member will call round to make the delivery arrangements.

*Rotarians are ordinary men and women from all walks of life who have a desire to give something back to their community, whether it is locally or at an international level. If you would like to help us please make contact through our web site or any of our Barton members - we will be pleased to hear from you.*

## Stamp Collection

When you receive your Christmas Cards, please save your used stamps.

Barton Rotary Club is collecting British and Foreign postage stamps on behalf of the Royal National Institute for the Blind.

Please cut off the stamp, leaving some paper around it and collect them in an envelope, putting them through the letter box at Harrison's Restaurant in Barton Market Place.

## New Place to Rest

A seat, situated in King Street, has been dedicated to the memory of Ken Osgerby. Ken, who died in 2009, helped many people in the town and was a founder member of Barton Rotary Club. The seat is the only one in this main shopping street and the Rotary Club instigated the request for its provision - a much needed place to rest.

*Ken's grand daughter, Claire Curtis, unveils the plaque, watched by Rotary President Margaret Parrott, Rotarians, Town Councillors and Ken's sons.*

**Santa will be touring the streets** of Barton between 7th and 13th December, assisted by members of Barton Rotary Club. Many children are brought out to see Santa during this very popular event. Santa will also be helping members with their collections outside The Co-op and Tesco on 10th and 11th of December. Part of these collections helps to pay for some of the events for the elderly at Christmas.
